RFP No. 039-T-2019 (P)

Pursuant to 31 V.I.C. 239 (a) (4) and Rules and Regulations thereunder issued, the Government of the Virgin Islands, herein after referred to as GVI, Department of Property and Procurement will receive proposals for the work described below. Proposals will be received no later than **Monday, October 21, 2019 @ 4:00 o'clock p.m.** Atlantic Standard Time.

DESCRIPTION OF WORK: **Qualified and Licensed Contractors for the Beautification of Route 30**

SCOPE OF SERVICES: See attached

NEGOTIATED PROCEDURES:

The Commissioner of the Department of Property and Procurement will appoint a Selection Committee to assist in the evaluation and selection of the Contractor. Accordingly, current data on qualifications and performance should be submitted with proposals. After reviewing the qualifications and proposals the Committee will select for discussions from the firm/s or person/s considered not less than three (3), in order of preference, **deemed to be most highly qualified to provide the services herein required.** Discussions will be conducted successively and severally with the firms or persons so selected the anticipated concepts and the relative utility alternative methods of approach for furnishing the services hereunder.

FACTORS FOR DISCUSSIONS

Selection criteria will include (i) Professional qualification, registration and general reputation of principals of the firm or person; (ii) the extent to which the firm or person specializes in or has provided services of a type and scope similar to the hereunder; (iii) familiarity with the location (s) in which services will be performed; (iv) capability of meeting schedules; and (v) quality of performance on other similar projects.

NEGOTIATION:

The Selection Committee shall recommend to the Commissioner **the highest qualified firm or person with whom a contract shall be negotiated.** The Commissioner, with the assistance of the Selection Committee, shall attempt to negotiate a contract with such firm or person.

Should the Commissioner be unable to negotiate a satisfactory contract with the firm considered to be the most qualified, at a price he determines to be fair and reasonable to the Government, negotiations with that firm will be formally terminated. Negotiations will then commence with the second most qualified, the third most qualified or additional firms, in order of preference, and shall continue until an agreement is reached.

Anthony D. Thomas
Commissioner
Property and Procurement

INSTRUCTION TO PROPOSERS

A. NOTICE

RFP-039-T-2019 (P)

Information provided in the scope of work is to be used only for purposes of preparing a proposal. It is further expected that each bidder will read the scope of work thoroughly, for failure to meet certain specified conditions may invalidate the proposal.

The Government of the Virgin Islands, herein after referred to as GVI, reserves the right to reject any or all proposals or any portion thereof and to accept the proposal deemed most advantageous to GVI. Price shall not be the sole criterion of awarding this project. Scope and quality of work proposed and the ability of the bidder to complete this type of project shall also be considered.

Applicants are requested to submit proposals on the basis of the scope of work. Alternative proposals recommending new features and technology other than that requested in the scope of work will receive consideration providing such new features and/or technology is clearly explained. SCOPE OF WORK

1. General

The purpose of this contract is to provide landscape services along the public right-of-way, on St. Thomas, U.S. Virgin Islands, as directed by an authorized representative from the Department of Public Works (DPW).

The Landscape Maintenance Contractor (herein after called the "Contractor") shall perform in accordance with all stated intents, specifications and stipulations contained or referenced herein.

Each bidder shall be responsible for researching the existing conditions and matters that affect the cost or performance of the services.

The Contractor shall come up with their own landscape design for each of the designated areas as listed below (and shown in pictures to follow) with color schemes that complement the aesthetics of the surrounding natural and structural elements, and/or art pieces as well as existing plantings where feasible. Landscape design and materials suggested must be clearly defined.

The Contractor shall furnish all plants, flowers, labor, equipment, supplies and services required to install and maintain the landscape in an attractive condition throughout the contract period. Maintenance of plant materials shall include but are not limited to weeding, pruning, fertilizing and cleanup. It is the responsibility of the Contractor to have adequate equipment and staff to perform the specified services under the contract. In the event of a mechanical breakdown of equipment, the Contractor will be expected to provide backup services as required under the terms of the contract.

The Contractor shall inspect landscaped areas for indications of pest problems and advise DPW. DPW may request additional information, samples, or presentations in support of proposals. Additionally, DPW may perform an interview with contractors under consideration to clarify any information provided, or to gather more evidence of managerial, financial, and technical abilities.

Due to ongoing construction on the highways of Route 30, some areas may be inaccessible during certain periods.

Before submitting a bid, each bidder shall thoroughly examine the property and fully understand the conditions that may affect the work proposed. Failure to inspect the sites in no way relieves the successful contractor from the necessity of furnishing materials or performing any labor necessary for the satisfactory completion of the work.

All bidders are invited to tour the sites at any time. Each bidder will be allowed to ask questions and will be provided with information and responses to all inquiries.

TERMS AND CONDITIONS:

The term of this agreement shall be for a period of twelve (12) months with a 1-year renewal option.

Payment

The successful Contractor will supply DPW with an invoice for services. Each billing must be accompanied by a progress report. No invoice will be processed for payment until the DPW project inspector has approved the progress report and accompanying invoice. The invoice must show: Hours spent on a specific deliverable during the billing period and Hourly rates for the workers. All invoices should be directed

to: Department of Public Works
8244 Subbase
St. Thomas, Virgin Islands 00802
Attention: Ms. Tessa Hart

PROJECT LIMIT DESCRIPTION

Areas to be covered under this contract will include all medians and shoulders within the government's right-of-way. The western limit is at the portion of Julian Jackson Drive that switches from a four-lane highway to a two-way roadway. The eastern limit is at the entrance to the Havensight Mall. (see attached). Also included in this scope of work are landscaped triangular medians at the entrance to Crown Bay Marina, the median at the intersection of Route 33 and Route 304 near Doctor's Choice Pharmacy in Subbase, and the median at Pueblo Supermarket. The scope of work will also include the William Henry Hastie Park at Lover's Lane intersection.
